- Ireland Active has assisted in developing the EHFA (European Health Fitness Qualifications) framework and has produced a Fitness Sector action plan for Europe.

- Ireland Active participated in four recent EU funded projects which enables Irish Leisure to contribute to European developments and to assist with Industry developments in Ireland.

- Ireland Active is a member of several European and International Organisations including EASE (European Association of Sports Employers), EHFA (European Health & Fitness Association).

- We offer discounted tickets to the world's biggest trade show for fitness, wellness and health, FIBO which takes place over several days in April.

- We partner with IHRSA with over 9,200 member clubs in 70 countries, the International Health, Racquet & Sportsclub Association is a global community of health and fitness professionals. Ireland Active and IHRSA hosted the European Congress in Dublin in 2019.

- We are the representative body for Ireland in delivering Europe Active's #LetsBeActive programme, which is an EU-wide campaign to engage citizens in more physical activity in the long term.

- As part of European Week of Sport, Ireland Active deliver National Fitness Day since 2016. Having successfully ran the National Event, we are working to develop a framework for other European countries to follow.
